

## Special Edition of the PPI Sendai Bimonthly Meeting (2016/11/26)

Theme : Falling Walls Lab 2016

Location: Tohoku University International House Sanjo 2 (Sendai, Japan)

On November 26, 2016, the Indonesian Student Association in Sendai (PPIS) held the Special Edition of Bimonthly Meeting at Tohoku University International House Sanjo 2. Mr. Angga Hermawan, Chief of PPIS, invited Asst. Prof. Natt Leelawat of the International Research Institute of Disaster Science (IRIDeS), Tohoku University, and Mr. Delta Putra of School of Agriculture, Tohoku University, to be the guest speakers at this meeting. Mr. Angga Hermawan was the moderator of the meeting. More than 50 Indonesian students from Tohoku University and others joined the meeting.

Asst. Prof. Natt Leelawat and Mr. Delta Putra were the Falling Walls Lab 2016 speakers, who were qualified by the Falling Walls Lab Sendai (FWLS). They talked about the introduction of the Falling Walls Lab 2016, their experience, their research, their presentations (“*Breaking the Wall of Tsunami Evacuation*” by Asst. Prof. Natt Leelawat and “*Breaking the Wall of Public Lighting*” by Mr. Delta Putra) at the Falling Walls Lab 2016, as well as the suggestion for anyone who would like to apply for the Falling Walls Lab Sendai and other labs in 2017.

Many audiences were interested in their talks. Various questions were asked. After the talk, some students discussed about research and preparation with the guest speakers.
