IRIDeS received a certificate of appreciation from TDMRC (2026/10/30)

Theme: International collaboration, Interdisciplinary research
Place: Online and Banda Aceh (Indonesia)

On the 30th October 2026, IRIDeS was awarded a certificate of appreciation from the Tsunami Disaster Mitigation Research Center (TDMRC) of Universitas Syiah Kuala, Banda Aceh, Indonesia. IRIDeS has been selected to receive an award in recognition of its dedication to multidisciplinary disaster research in Indonesia and its commitment to strengthening community resilience against disaster threats in Aceh. This award is presented in celebration of the 20th anniversary of TDMRC as a token of their sincere appreciation for IRIDeS's valuable contributions to disaster science, international collaboration, and community-based disaster risk reduction.

Associate Professor Anawat Suppasri (Tsunami Engineering Lab) attended the online award ceremony.
