World BOSAI Forum

World BOSAI Forum : International Disaster Risk Reduction Platform for All the People

World BOSAI Forum was launched with the strong determination to end the misery of people suffering from disasters.

The World BOSAI Forum (WBF) is a cosmopolitan forum from Sendai, Japan, which brings together representatives of international organizations, governments, academia, and the private sector from Japan and abroad in collaboration with the International Disaster Risk

Conference in Davos, Switzerland (IDRC Davos). We are pleased to announce that the 3rd forum will be held in 2023. We sincerely look forward to seeing all of you, and companies who are interested in disaster risk reduction at the World BOSAI Forum 2023.
