

**Exhibit at World Bosai Forum/ International Disaster and Risk Conference (IDRC) at Sendai (2017/11/26-27)**

Theme : Disaster Studies

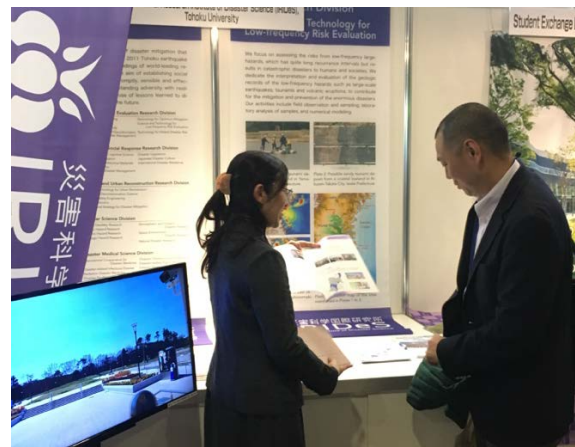

URL : <http://www.worldbosaiforum.com/>

For 4 days, between November 25, and 28<sup>th</sup>, 2017, the World Bosai Forum/Davos meeting in Sendai was held at the Sendai International Convention Center (in Sendai City, Miyagi Prefecture). On November 26, and 27<sup>th</sup> during this event, IRIDeS displayed exhibit panels and a video display of our disaster research, and introduced IRIDeS activities and research to visitors to the booth.

The following IRIDeS faculty participated in the IRIDeS exhibit: Asst. Prof. Shinsuke Okada and Asst. Prof. Asaka Konno (Disaster Science Division), Asst. Prof. Elizabeth Maly and Asst. Prof. Tetsuya Torayashiki (Human and Social Response Research Division), Asst. Prof. Yohei Inaba, Asst. Prof. Hiroyuki Sasaki, and Asst. Prof. Zhiqian Yu (Disaster Medical Science Division), Assoc. Prof. Shosuke Sato and Asst. Prof. Yuki Sadaike (Disaster Information Management and Public Collaboration Division). During this event, over 200 participants visiting the booth, making it was a very active center for dissemination of information about IRIDeS.
